“ Mom it's been a lonely year without you. I am so Thankful that you went home like you wanted. I talk to you and think about you everyday. Please continue to watch over me and lead me in right direction. Love you always and forever and I know you are enjoying your wings. Hug and kiss Clayton for me

“ Mom I love you and I miss you not a day goes by that I one to pick up the phone and talk to you I will never forgive what you taught me and the last conversation we had my blessings was that you went I wanted to go and what you said to me when you first walked through the door I'm so glad you're not in any more pain I love you mom always and forever

“ Hi Mom. I miss you so much. So many days go by that I want to pick up the phone and call. I am glad that I did what you asked me to do. You were so worried about Clayton since he left. I am glad you went to him with open arms. You two were my Rocks and I feel so hurt and alone. I vision your last moments I am happy cause that's how you wanted to go but so hurt that you left too soon for me but not for you and God so I have to be happy. Love you and miss you Mom. Kiss Clayton for me

“ Hi Mom. I miss you so much . I am so glad that I got to see you home the way you wanted to go.I know Clayton was waiting with open arms. Give him a hug and kiss for me.I didnt want you in any more pain but I didnt want you to go so soon.You were tired so thats ok.I think about when you wink at me and a tear came down when i said you didnt have to worry about me and I was gonna be alright.That will be a memory I will never forget.Love you mom and leave you best life now
