“ Lovell was a sweet man who had a kind word every time I walked through the US Bank building. I was so sorry to learn of his passing. Love and comfort to his family.

“ I work across the street from the US Bank bldg, so i walked by him 3 x a day. You could always hear his booming voice a 100 yards away, we'd usually fire a quick one liner at each other, like "Garnett needs to retire!".

He gave me a piece of candy for Christmas.

That man was a one-of-a-kind, and will be missed.

“ I miss Lovell's boisterous greetings while passing through US Bank Plaza, as well as our chats on current affairs when I was in his chair. He leaves many friends and memories downtown. May peace be with his family.

“ Such a friendly man, who truly enjoyed people. I will miss how our building would ring with his enthusiasm for life.

Our building just won't be the same without his presence.

God Bless.

“ Lunch time downtown hasn't been the same since Lovell stopped working. I am so saddened to know that I will never hear his voice or see his welcoming smile again. Sending lots of love and prayers to his family. Jenny T
