“ My last memory of my auntie was on Christmas Eve. I was waiting for her to bring the sausage to add to my sausage gravy. Every time I see a picture of my auntie it's like a slap in the face it's like just finding out she's gone all over again. She always got on me about my hair, she couldn't stand the fact that I had so much and never did anything with it. I recently cut it off and I was so looking forward to her seeing me grow it back. I'm going to miss seeing her in her apron at family gatherings and her stories she would tell to only me. Auntie is our angel now just as she always has been
