

## Rodney D. Vincent

March 2, 1958 - December 9, 2020

On December 9, 2020, Rodney Vincent of Minneapolis, MN, loving husband and father, passed away. Rodney was born on March 2, 1958 to Eunice and Leroy Vincent. He loved to spend time with his friends and could often be found hanging out with longtime pals Uncle Charlie (Charles Edwards), Uncle Ronnie (Ronald Hall), and Uncle Dennis (Dennis Lucas).

When not working or socializing, Rodney enjoyed spending time on boats, flying remote control airplanes, racing remote control cars, and sneaking in the occasional motorcycle ride when his wife was not watching. Rodney met his partner of 40 years and wife of 26 years, Gwen, while pursuing his education at the University of Minnesota. Some of the fondest memories Gwen recounts are their adventures playing tennis, going for walks, and traveling through Europe. Rodney was the proud father of twin daughters Gabrielle and Rochelle Vincent. Rodney enjoyed a 34-year career at FedEx and will be remembered fondly for his witty personality and jokes. Rodney was looking forward to retiring to Florida and buying a boat. Rodney is survived in life by his wife, Gwendolyn, twin daughters, Rochelle and Gabrielle, mother, Eunice, sisters, Lawana, Shayne, Giselle, Karina, and chosen brothers, Charlie, Ronnie, Dennis along with his loving aunts, uncles, nieces, nephews, cousins and friends.

Due to the COVID-19 pandemic an in-person memorial service will take place for family only on Tuesday December the 15th at 2:00pm. However, Estes will be live streaming the funeral service for any family members who decide to view the service at a separate location and anyone else who would like to partake in the service. To say final farewells Estes will hold a public visitation on Sunday December 20th from 2:00pm-3:00pm.

The Private Funeral Service can be streamed at [www.estesfuneralchapel.com](http://www.estesfuneralchapel.com) and click on the picture of the inside of the chapel and it will bring guests into the room. The stream begins 15 minutes before the service begins.

“ I would like to Express My sincerest condolences to Gwen, Gabrielle and Rochelle and to the rest of Rodney's friends and family.. I met Rodney when I was running a lawncare service and I contracted to do His lawn. In a short time We became the best of friends, and spent hours on the phone bebating politics. We had differing opinions but We grew to love and respect each other despite politics. I even got to name His imaginary boat. " The Gwenny Two Mile Out" because Rodney was scared to go more than 2 miles out to Sea.. Rodney knew how to be a good friend and I'm going miss Him!! Goodby My Friend.. Rest in peace until We meet again..

“ Ever since I was at FedEx, Rodney always referred to me as “little woman “ I can still hear him calling me little woman . But he’s always been a big brother to me, even though before I got a truck I had to make him pies. I still have a video when he was loading a can and I was teasing him about him actually working hard. He definitely will be missed... his distinctive laugh! Rest In Peace big brother

“ The Gift of Rodney will be irreplaceable! I give thanks to the most high for placing him in my life for 32 years! All the lessons and guidance from childhood to our last conversation have and will continually mold my existence. I am forever grateful for this last month. We laughed, sang, and I was able to see and experience a whole different side to our relationship! Rest In Peace Rodney! I know for sure we all have gained an angel!

“ Thoughts for Rodney Vincent this morning. longtime co- worker at Fedex passed away three days ago  
Good man -  
Family man -  
No stranger to hard work -  
Extremely Infectious laugh -  
Small plastic Fedex airplanes in the back window of my Ford contour, I thought it was cool looking BUT you got the biggest LAUGH out of that (1998) I eventually removed them but I always recall how it made you laugh LOL  
NEVER forget you man.  
Rest easy now Bro

“ Rodney was always smiling, laughing, singing, etc...What a joy he brought to everyone he knew! I was driving on 494 (off duty from FedEx) one day, and I saw him in his tractor/trailer singing his butt off while driving! I was working in Northfield one day...he saw me by my truck and blew his semi horn and waved to say "HELLO". I worked with him at the ramp when he was picking up hours downloading...what a jewel...You could not be around Rodney without him lifting your spirits up. He was such a blessing to so many people and he probably never knew it. Love you Buddy! You will be missed dearly, my friend. What a loss for all of us that had the pleasure to know him.

“ Rodney always had a smile on his face and a joke to share. I am truly blessed to have known him. My husband did some work for him on his family's home a long time ago. He came from working on Rodney's home and said to me. " Rodney is good people" truly he was just that. My thoughts and prays are with all his loved ones. His great big laugh will continue to echo through the halls of the FedEx building.
