“ I had the pleasure of meeting and working with Alvin when he joined our Eaton County Parks board in 2002 where he served from 2002 to 2013. Alvin was not only active on the County Park Board but was instrumental on helping to establish the first official 501(C)3 Friends of Eaton County Parks - where he served as President for a number of years. His passion, enthusiasm, and dedication was always great driving support for for us all. Thank you for Sharing your years with us
