“ I worked with Anytrea at Andersen School when she was our "Lunch Lady." Oh, she was SO much more than that to the preschoolers and teachers. She nurtured us, she watched out for us, she radiated joy when she saw the children come in for breakfast and lunch. She always had a smile and a hearty laugh to share. She gave love so freely to all of us. She often spoke of Adonis and how proud she was of him. Her face lit up whenever she said his name. I am so deeply sorry for your loss. If people stay with us through our memories of them, then Anytrea has many ways to keep her light shining. May you find peace and comfort in each other and in the love she gave you.

“ I was heart broken when I hear of Anytree's passing. She was one of my very first students in my 2nd grade class. She spent many of days hanging out with me and playing with my oldest daughter. She was a shining light and will always hold a special place in my heart. Love to the family!

“ PK (Pumpkin) is a bright and shining star sent from heaven and now has returned to heaven (heaven bound). I remember her kindness and giving ways, as she smiles upon us all right now.

This is to my Family... You will always be on our minds, in our hearts and prayers.
