Obituary

Ariana Destiny Harrison, twenty-five years old, passed away peacefully in her sleep on Sunday, July 21, 2019.

Ariana lived a vibrant life while managing a chronic condition of epilepsy. Considering the significant tumor and seizure's she endured, Ariana thrived and lived a joyous life. It was a seizure in her sleep that sent her home that morning.

Ariana is survived by her parent's Amber and Ron, her sister Amara, her brother Armonn, maternal grandmother Carla Olson, paternal grandparents Aaron and Peggy Harrison, maternal great grandparents Charles and Shirley Martin, special uncles, aunt, cousins and extended family near and far, as well as, significant others who lovingly impacted her life in positive ways.

Ariana was preceded in death by her maternal grandfather Chuckie Martin and beloved paternal uncle Donell Harrison.

Ariana deeply loved and cared for her baby/her dog Coco. She sang, danced, and listened to music everyday. Biggie was her favorite. She was an avid Disney fan and saw the Lion King the night before she passed. She was

excited to see the new Little Mermaid movie and dreamed of an Ariel themed wedding. She enjoyed taking long walks and being creative with arts and crafts.

Ariana adored her family and was very loyal to those she loved. She was a generous, intuitive, caring young woman who made people smile and feel special always. She will be deeply missed until we see her on the other side.
