“ *I met Arvin Curtis almost 19 years ago when I first moved to Bloomington, MN. Over the years my family and I grew to love him and welcomed him into our family as he did with his. We've spent holidays together, shared laughter and tears. You, Arvin will be truly, truly missed by all who knew him. He was a man of many trades and a master of many as well. There is definitely a place at the table, a street that's paved with gold, and a city that has welcomed Mr. Curtis. Lord take him into your open arms and comfort us that remain here on earth. Rest Peacefully my friend. We Love you.*
