“ My Brother HardyMac from way back, man you go back like 4 flats on a Cadillac, Bro remember when use to walk through Perry Playground listening to TooShort on a 8Trac, working out in your basement, and going up to new town to get us some fresh bucks. We would talk on the phone for hours talking about some of everything, I just talked to you that Saturday, man you are already missed, but you will forever be my brother from another mother. Rest Well My Friend 🤝
