“ My condolences to you all. Charlene and I worked at the same company so many years ago that I don't remember the name of the company! But we remembered each other. We reconnected through the Seniors group at NorthPoint and through Volunteers of America Culturally Responsive Caregivers group. She was a pleasant person to be around and maintained a good outlook on life when I was around her. May God continue to strengthen you and keep you. Let her passing cause you the family to lean and care more for each other than ever before.
