“ *Charles was a member of the Wildcats football family and played on the 2018 and 2019 season, he will be missed by his brothers, his coaches, and all that had the pleasure to meet him. Charles will be remembered for his brilliant smile, smooth charm, relentless determination, passion for the game of football, and love of his family, teammates, coaches, and friends.*

*Our thoughts and prayers go out to his family during this difficult time, and hope the memories Charles gave us all in his shortened life will provide us all some peace and comfort. He truly was a special person and will stay in our hearts and minds forever.*

“ *Charles and our son Rhys were friends who met playing football for Potenza four years ago. It didn't take long after meeting Charles that he got deep into our hearts. There was something really special about him -- the gifted athlete but most importantly a beautiful young man who was so funny and had such an open, loving heart. We loved Charles and are so very sorry that this has happened to him. We're holding the Royston family close in our hearts at this horribly sad time.*

MARY. (Maggie) Chaney-Burns

*Charles Jr. was a strong dynamically talented young-man. The aforementioned attribute was apparent at his mom's recent funeral, when he rendered a touching tribute to attest his love for her. During his brief life, he managed to accomplish several milestones that many, who are blessed to live well-beyond his brief years fail to achieve. Seemingly, Chucky Jr., as he was known by family, possessed a wealth of love and compassion for others (most definitely an attribute inherited from Charles Sr., his father), and sense of empathy for others that apparently reflected his intuitiveness well-beyond his tender-young years. I am saddened by the circumstances that led him to be snatched from his father Charles Sr., Grandmother.Dorothy, siblings and all other relatives and friends whose lives he touched. I'm sure he will be sadly missed by all. Family, take comfort in knowing that God makes no mistakes and He alone sets each of our 'time-clocks'- "There is a time for everything under the heavens; a time to be born, a time to die, a time to plant and a time to uproot, a time to weep and a time to mourn.... Take comfort in knowing that God is still in charge and he sits on the throne! He knows how much each of us can bear, because of His omniscience He knew the hour "Chucky" could take no more. It was at that time God had predestined him to come home to be with Him. Yes, it was no mistake so take comfort knowing that it was his set time! May God engulf you with His love and hide you under his wings. I love you all*
