“ *I met Dr. Cole/District Missionary Cole through the IDMU in 2017. As the Executive Secretary for the IDMU she was exceptional in all that she done. We interacted many times in our doing what was asked of us from the unit. Our last correspondence was doing the Convocation this year, even though she was not feeling her best, she provided the information asked for. We will miss you Dr. Cole. To the family praying God's peace upon each of you. - DM Gloria Sims*

“ *Condolences to the family. I have so many fond memories of Sis Cole both in Mississippi and in Minnesota. She was a woman with such class and humility. She taught me a lot about how to carry myself as a young woman. Even when you think the younger generations are not pay attention, we really were. I am glad I was part of her tribe. PRAYERS UP TO THE FAMILY!*

“ One memory of Aunt Christine is when I decided to call her Christine. She laughed and told me that I better put some gravy on that, meaning her name to me is Aunt Christine. Luv you tour niece Latonia
