“ *My Sweet Colette Tazel,
Losing you has left a hole in my heart that words can never fill. You brought so much light, laughter, and love into our lives, and it's hard to imagine a world without your beautiful smile and kind spirit. I will always remember the joy you shared, the warmth of your presence, and the way you made every moment brighter just by being yourself. You were more than a niece—you were a piece of my heart.
Though you're no longer here with us, your memory will live on in everything we do. I will carry you with me, always, and love you forever.
Rest peacefully, sweet girl.
With all my love,
Uncle Wayne and Aunt Stephanie Tazel*
