“ *An uncle loves.*

I am honored and blessed to have had an uncle like you. I am your first niece amongst many who followed. You were there for my high school graduation. The smile on your face I will never forget. God made it so I would share things in common with you on your birthday. For example, on my graduation day, my wedding day. Both are moments that occurred on June 15th. For all who have had the pleasure of knowing, you. They should know how you vibed. You greeted everyone with love. In your voice, "Hey, how you doing/how have you been, do you need help with anything. Let me know if I can help,". Your love, compassion, caring, and kindness for others never wavered. I will always keep you in my heart. The part of my heart that fell apart I know it's with you safe under lock, and you hold the key until we meet again. This is the final goodbye to your shell, and hello to my newest angel in Jesus' name, Amen.

Love your nice Alisha
