“ *When the sun says goodbye to earth, it leaves a beautiful sunset as a gift. When friends say goodbye to each other, they leave mementos of everlasting and priceless memories. Goodbye "Cousey" my friend, We will miss you. Love You, Steve and Curtis Hardy*

“ They say that a true measure of a mans life is not measured by what he accomplished while he was alive, but rather, how he is remembered after he is gone.

*I have known Dave for 37 years and he was always true to his word, and a loyal and dedicated friend. If you were lucky enough to have him as a friend, then you understand.*

*Whenever I needed sage and practical advice or opinions, Dave was there to ground me. As you know, he ALWAYS had a opinion.*

*I will certainly miss Dave, but I am comforted knowing that he is in a better place now.*
