“ *My deepest sympathy too you all. Deborah was a bright soul and will be terribly missed. I will never get her uniquely loud voice out of my head. LOL She always showed my family nothing but LOVE and was a good friend to me. Skyler and I will forever have special memories with her (his grandma) and I am so grateful for that. I know times are tough but she loved her family more then anything so please embrace each other during this difficult time and know that she is smiling down on all of us. Rest in Peace sweet lady! You will be missed.*
