“ I love you little bro I'll always remember the time we all as a family would spend at times hours on end together along side the Mississippi River . Fishing , catching crayfish, looking for cool rocks and things. Building little fires and yes even some times trying to cook what we had caught right on the open fire .. I'll miss you always and forever and will always cherish every memory I have of you... I love you and I'll see you again one day. Love Your big sis Ash

“ Some of my favorite photos of Deven ❤️ We were blessed to have him in our lives. My deepest condolences to my sister and my brother in law for the loss of a precious son. How lucky we have all been to love him, and be loved by him.
