“ This is in loving memory of Donald Berry

*I met Don some 22 plus years ago helped me with renovation of a property I had purchased. throughout the years He was a great blessing, I learned so much from him, roofing siding windows electrical plumbing and much more, He would always find a way to help me out, and he always had people who he trusted, they were always willing to help because of his good reputation, we had many arguments concerning work but we always come together in a time of need, I him and He me. as Black Men we understood that we could not afford not to work with each other. we always came to together to help one one another, He knew a lot of people whom I was able to call on in a time of need, He introduced me to the only black master electrician at that time. he was a wellspring of information. HE WAS SAVED, We shared similar testimonies of God had saved us and delivered us from similar life styles. Thank God for Jesus. every so often maybe a couple of times a year would call me or I would call him, Don helped a lot of people, he gave people jobs, did work for people at a more than reasonable rate, he worked with the men who had come out of prison, addictions, and other, he worked with young men, I can say this because I know from a personal experience, He wasn't perfect, He was a man of God. one thing I learned from watching him is his patience with a lot of the men who worked for him.*

*THERE SO MUCH MORE I COULD SAY ABOUT THIS GREAT INDIVIDUAL!*

*I THANK GOD FOR ALLOWING ME TO KNOW THIS GREAT MAN OF GOD!*

*RIP MY DEAR BROTHER,*

“ *Remember the joy, forget all the pain;  
Let all your tears, fall like the rain.  
Remember the fun, the happy times past;  
The sadness you're feeling, won't always last.*

*May you find peace and comfort in the beautiful memories.*

*We may miss the physical presence of our loved one; but as long as we have the memories, they will always be with us.*

*Sending prayers and love, Carla*

“ *Bernetta my condolences to you and your family. I know this is not an easy road to travel, but if you just put your hand in God's hand and allow Him to lead you everything will be alright. Continue to trust in the Lord and hold fast to His promise he gave you in John 14:18 verse: "I will never leave you comfortless." We love you and we are here if you need us!*
