“ Dorothy was the face I always looked forward to seeing! She had the answers I needed or if she didn't, it was a moment to share whatever we were feeling. She was an absolute bright light and had a wonderful spirit. She was just so real and honest. And at the end of every conversation, we had the best laugh. Those are the memories I will cherish.

“ Dorothy greeted everyone at NorthPoint with kindness and made you feel like what you needed was all that mattered. She was gracious and had spoiled all of us on the 5th floor. She was the first one that everyone passed by in the morning. We miss her smile and special treats she would have at her desk and she always had your favorite candy! Most people didn't know that she was being treated for cancer because she never complained and she never slowed down. She loved her family and thank you for sharing her with us for 23 years! She had a beautiful spirit and was always willing to help anyone.

*It is hard to walk into the office and not see her at her desk on the computer, sorting papers, telling me my schedule and asking me if I needed anything. I would tell her no, that I was fine, but she would bring me a cup of coffee and a special treat just because that's who she was.*

*We extend our heartfelt condolences to Dorothy's family and friends. She will be forever in our hearts. May you find peace in knowing she was special to us all.*

“ Dorothy was one of the first people that greeted me and welcomed me to the 24th Flr when I began working in the Hennepin County Board of Commissioners. She was always very positive and had us laughing all the time. She was very caring and loved working with people in the community. I just spoke with her about a month ago to reserve space for a meeting and this is very heavy for me. May she rest in peace and keep shining with her beautiful smile 😊 - LaToya Wilson

*My beautiful Niece Dorothy was one of those rare jewels you sometimes have the pleasure of having in your life. She enjoyed her life and lived it to the fullest. Dorothy was smart, Intelligent, fearless and funny. She had a great heart that cared way to much for others. But nothing stopped her from helping others if she could. Dorothy loved her family and friends and cared a great deal about the residents of Hennepin County and folks living on the Northside. She always took that extra step to assist everyone that came into contact with her. Rest in Heaven dear child, love you Auntie Shelley*
