“ This woman. What a woman. She was a part of my life for over 40 years. So hard to say goodbye. So I won't, I'll say see you later. I loved her laugh. It was contagious. I'll miss those 3 hour long phone calls. Just catching up. Talking about everything under the sun. You are forever in my heart. I love you always.

“ *She was a hard working woman. She would tell me stories about the people at the group home. One of the last times we talked. She told me Thank for taken good care of Lamar and how she appreciated the things my son DeShawn and his girlfriend was doing for her. She's resting with her husband now 🥹🥹🥹*
