“ I saw Earl almost daily in my role as a Chaplain (first in the ED) and then as the Manager of Spiritual Care at Hennepin Healthcare. During this past year, whenever we saw one another, we always stopped to check in and then to pray together. In some ways, Earl became my "pastor" at Hennepin even as I knew he was struggling with the deep sadness of losing his son last year. I appreciated his compassion, friendship and care for me, our staff, our patients and our families. He had a light-filled soul and I will miss him very much. I am sending your family my love and my prayers/

“*Earl Brown was one of our most senior and well liked employees. Earl was known for his quick smile and cheerful attitude. It was a rare moment when you did not see Earl smiling. Earl was a deeply religious man who was always there for a fellow employee to have a heart to heart or a blessing when people’s lives were hard. Earl’s continued service for decades in the service of Hennepin County Medical Center is a statement to Earl’s character and the care he felt for our community. Earl will be missed by all of us and we wish the best for all his family and friends. Our sincere condolences to family and friends. RIP.*”
