It is in moments like this that we learn to appreciate family, friends, and others who help carry us through our moments of grief. Although words may feel inadequate, it is still important to hear them from those who love you. Words expressing love can help begin the healing process.

You may feel surrounded by mixed emotions, but let your heart be filled with the precious moments you created with Mom, Elaine. Remember, she has left this earthly realm, but the memories of her can be cherished in your heart forever.

The Bible reminds us, “Precious in the sight of the Lord is the death of His saints.” — Psalm 116:15

We are also reminded in song: “If we live right, heaven belongs to us.”

See you, Sister, on the other side in glory.

“ Elaine became my sister by marriage. I loved her from day one. Her children are forever my nephews and nieces. Her grandchildren are forever my great-nephews & great-nieces. My sister Elaine left a Phenomenal legacy for all who knew her. Because of the God she served, she was able to love people, forgive people, live and walked by faith, not by sight. I thank God for blessing her to be in our family. ❤️ 🙏 Your Sister for Life!
