“ You were my *FIRST* everything. So sweet and full of love. I always wished nothing but the best for you. I always knew you were capable of soo many great things. It’s hard to say goodbye when each time we left each other we never did, it was always “I’ll see you later” and “text me when you make it home” I’m at loss for words. You were a beautiful person inside and out. We all had out flaws but you were open and candid about yours. You taught me soo much since the 3 years we first met. I’m soo sorry this happened to you. I will NEVER forget you. First Love, I love you always💕 Fly High Doodabug (even tho you were soo embarrassed by that nickname). I love you 💕
