“ To Emory's family, I'm so sorry for your loss. I had the pleasure of working with him as he was a volunteer on the Honeywell Tuskegee Campus Team for university recruiting. He was a very proud Tuskegee alum. Emory will truly be missed.

“ Emory and I have been friends since our days at Tuskegee University. He was always fun-loving, down to earth, and genuine. His smile was always bright. His laughter always contagious. His heart always big. I would call him "Easy E" because his attitude and style was "...easy like Sunday Morning". A true Minnesotan; he proudly repped Minneapolis and the Twin Cities while at TU. His studies to become an Electrical Engineer kept him very busy, but when he had a break, a good game of Spades was always in play. The man was fierce on the card table! (lol) There are so many great memories I have of him.

To Emory's family, I am so deeply, deeply sorry for your loss. My sincerest condolences to you all. I greatly miss my friend, but I know he is with God. May Emory peacefully rest in God's presence and may God's amazing grace keep you all safe. We WILL see him again someday!

With Love,
