“ We Will Forever Love And Miss You ...
Everyday that has passed you have always
been in our hearts and thoughts it's not a day
that goes by that we don't keep you near I
think about you alot now that the children are
all older I wish so many days could had been different that you was
still here in some weird way I wish we could all live forever I know
that there is a better place and I know that you have made it to
Heaven it's been a long journey please keep watching over us and
showing your motherly love over me in raising my children and your
Grand Babies you truly left a piece of yourself here on earth thank
you for everything that you did whether it was taken notice I do see
so much more now even thou it's to late to tell you I know your still
within... We Love You For All Of Your Tributes For The Many Ways
You Showed Love And For All The Ways You Tried To Keep The
Family Together And Knowing One Another Your Truly Missed Daily
