“ Frank was a person who shined with good-heartedness and love for all humanity. I could just feel that as a child and every time I met him throughout life. I know how much my father valued sharing an office with him. And we all valued getting to know you guys. So sorry I wasn't able to see Young Frank. Hi to him specially. Matthew Wood

“ To My Wilderson Cousins, I am so sorry to hear of the passing of FB, and I hold his memory and your spirits in my prayers and heart as you lay him to rest in peace and power with Our Father. As always, be there in love and understanding for one another and never stray away from the roots of family love and values that FB and Ida Lorrain grounded your family in. With all my love, your cousin Venola L. Johnson, Esq.
