“ Uncle.... You gained your wings December 10, 2025. We said our final goodbyes to you January 12, 2026. My mama said that she wasn't going to the hospital until she buried her brother and that's exactly what she did! February 1, 2026 she gained her wings and we will be back at Estes saying our final goodbyes to her on February 21, 2026. I miss and love you both. RIP Uncle Anthony and Mama Kennetta

“ Few called you George, some called you Anthony, many called you Ant and most called you G Money. But to me you were simply "Old Man or Uncle Anthony" who called me Sherrie. Whenever you needed something... My phone would ring. I will really miss being your personal stylist every time you needed to get fly. It hurts my heart to know that I just picked out the very last outfit you' will ever wear. No more answering your phones calls saying "What you want Old Man?" and you replying "Do the right thing!" God called you home. Rest well Uncle. I love and miss you ~Sherrie~
