“ I'm very very sorry for your lost, and I really wished that I had the pleasure to have known your Gloria. I don't have many words to say because it's difficult for me we talking about your baby here and I'm trying to be very apologetic and sensitive to your needs , it's hard when I call myself a friend to you I geuss all I can say is I'm very very sorry and my heart and tears go out to you and your family!!

“ Where can I began because saying goodbye if very hard to do for such a beautiful angel as yourself. Your life was shortened but yet accomplished a life goal. I will remember you and very much missed, thought of very often.
