“ It is hard to put in words how much I will miss Henika here at C3. She was not just a co-worker; she was friend. She gave me courage when I had none, made smile when I was down, and always knew the right things to say. My heart goes out to her family and loved ones.

“ Our thoughts are with Mike, Zakiya, Miles, Evanston and Kayden. The service was such a wonderful celebration of her life. I was sad that I could not be there in person but grateful that I could join remotely. I had the pleasure of working with Henika for 5 years at Cell Culture Company. She was such a joy and she will be deeply missed by everyone at C3. - Rebecca and Ken Thompson

“ Our thoughts, prayers, and love go out to Mike, Zakiya, Miles, Evanston and Kayden. Henika's celebration of life ceremony was absolutely beautiful, heartfelt and touching in every way. She was truly honored by many attending and would have been so proud of you Mike for all your touching/loving words to your children and your Honey, Henika. She obviously touched many people even outside of her immediate family, church friends and all the way to Africa! What a true blessing she is and will continue to be as she watches over her dear family and friends from Heaven with all the Angels and Saints! May your soul rest in Peace and in the Glory of God now and forever! Love and sincerest condolences to the entire Avery family, Terri and John Leeds

My sincerest condolences go out to her family, friends, and loved ones.

“ I know this has been around a while but it was shared with me after my daughters funeral and I wanted to share with you...

*I see the countless Christmas trees
Around the world below,
With tiny lights like heaven's stars
Reflecting in the snow.*

*The sight is so spectacular
Please wipe away that tear
For I'm spending Christmas
With Jesus Christ this year.*

*I hear the many Christmas songs
That people hold so dear
But earthly music can't compare
With the Christmas choir up here.*

*I have no words to tell you
The joy their voices bring
For it's beyond description
To hear the angels sing.*

*I know how much you miss me,
Trust God and have no fear
For I'm spending Christmas
With Jesus Christ this year.*

*I can't tell you of the splendor
Or the peace here in this place.
Can you imagine Christmas
With our Savior, face to face?*

*May God uplift your spirit
As I tell Him of your love
Then pray for one another*

As you lift your eyes above.

*So let your hearts be joyful
And let your spirits sing
For I'm spending Christmas in Heaven
And I'm walking with the king!*
