“ Hi everybody my name is Johnetta and Deon was my brother I love him to the fullest as if he was my blood brother we didn't been through some things together we didn't got in trouble together I love Dion from the Bible room and my kids love him too they look at him like a uncle there was nothing in the world that I wouldn't do for Dion. He was the happiest young man I met ever in my life he was so full of joy and passionate he had a heart he was caring he was emotional and knows where the most things that I loved about him he had a very good heart he was a very kind person and he had a nice soul. This is really hurting me so bad to put one of my best friends AKA my brother to rest I don't know how I'm going to take this day I would like to say to his family you have my deepest condolences and I pray that we all come together and love each other cuz that's one of the things was doing while he was on this Earth I believe that was one of his callings God I have for him to put peace on this Earth and that's what he did with some of us he gave us peace when he come in the room he brighten up the room it was always something funny that he said out of his mouth or something that he was doing funny he was so full of life and joy and I enjoyed that out of him he gave my life a system meaning to be happy now that he's gone I don't know how I'm going to get by my soul is tore up in the inside and I can't stop crying I'm fine on the outside but my soul is crying on the inside for my brother I love you Deon I'm always love you your sister netta.
