“ *Jim and I worked together for many years at the phone company. We became great friends! Jim retired early but we would run in each other from time to time over the years. We would start all over again just like it was yesterday. I just found this sad new out this moment. I would have been there to say goodbye. I send this with a heavy heart. Jim was a special person Rick*

“ *While attending Lincoln Jr. High our 9th grade year, James Baker, Nancy Cunningham, Donald Eubanks and myself David Latz were chosen to attend the Minnesota State Science fair by our Science Teacher Mr. Richard Jones. It was held at the old Andrews Hotel on Nicollet Ave. Still to this day we were all selected because we were good students and Mr. Jones knew we would live to have great lives. R.I.P. both James and Donald.*
