“ I remember we used to hang out on the daily as kids, and as teenagers trying to find our way in the world. We’ve had conversations that I will hold near and dear until my last day. Her soul was so beautiful; being one of the most genuine people I’ve ever known. I’ll miss you as long as I am alive. ❤️

“ I learned of Jane's death on Saturday when I stopped to see her at Final Cuts. We had met at the health club months prior.

I'm so sorry she's gone. Jane was such a kind, friendly person. Every interaction I had with her was a joy. We spoke often but, unfortunately, never for long enough.

I will truly miss her smile (and all that hair), and I hope that she's at peace. She was a beautiful person inside and out and had such a gentle soul. I will forever carry her in my heart.

My heartfelt condolences to her family.

“ *RIP sweet Jan'Qwes Tivis (Jane). I really can't get this sad news out of my mind. Remembering all of our talks at Moler Barber School when you would come sit by me at the front desk, talking about life's past and all of life's future challenges. The laughs you brought to so many... and didn't even realize it. It was great to see you grow and overcome what life's challenges gave you. You my friend, were an amazing young woman! I, along with many others are going to miss that smile you blessed us with and the joy you brought to so many. I'm going to miss my sweet spunky Jane. The age of 22 was just way to soon. 😭 Jane, your bright light will never be forgotten! I will miss that beautiful smile you always had when you would stop by the school to say hi. RIP my vibrant 🦋 sweet Jane 🌸 Kim*

“ I'm not ready, but here I go. Deepest condolences to your family and friends. We're all struggling to come to grips that you're in a better place now. Hands down you were one of the most upbeat, vibrant, down to earth human beings I've had the privilege of knowing. Thank you for being you and for all the conversations we've had together; some that I'll carry with me forever. "God broke our hearts to prove he only takes the best." Rest in paradise!

“ This is heartbreaking and hard to shake but I know for a fact that Jane is watching over every single one of us wishing she could wipe our tears. She'd want us to be strong for her and for us to know that she is in a better place. May her heart and soul rest in roses forever. I will remain to have the family in my prayers. I am truly sorry you have to go through this, I could only imagine. Beautiful Jane, We love you forever!
