“ *I've known Jared since 7th grade at Greenbrier Middle school. He was soooo intelligent & was always smiling . He was a good friend. On the days I came to school without my glasses he'd let me copy his notes because I couldn't see the board. It has been almost 2 years since we last touched base but I want to send my condolences to the family of Jared Goens. You all are in my prayers & I am so sorry for your loss.*

But like our Da and Mrs.Marilyn we celebrate his life and take comfort that his spiritman is in paradise with the Father and is free of the woes of the world. We say together : WE LOVE YOU JARED, AND STAND WITH DAD AND MRS. MARILYN TO CONTINUE TO SHARE YOUR LEGACY IN THIS WORLD!!!!!!

“ I met Jared in 7th grade in 2002, almost 20 years ago. Jared has been one of the best friends I could have ever known. He was always there for me. Him and my homie Vince were literally together every day of high school and those are memories I'll never forget. Much love to the family and I'm really sorry. Be blessed everyone.

“ Jared was the best friend anyone could ask for. He was someone who one could look up to and be motivated by and he could always be counted on for a good laugh. I've learned many life lessons from the brother that I will never forget as well as countless cherished memories. Much love.
