Jerry Maddox My Friend and My Brother ❤️ We shared so much when we were younger, We went to church together, We all hung out together, We were a small spiritual family. That learned a lot from one another. As we got older we raised our children together His children call me Aunt Minerva & my children called him Uncle Jerry 😭 Definitely he will be missed on this earth but God had better plans for Jerry Maddox no more pain or sorrow He's free praise the Lord He's free

“ *Mr. Jerry is my best friends father. His children are my second family. He gave me the nickname big dog lol even though I am very small. When my father passed he hugged me and told me I had one dad left. I will always remember and love him for that. I pray the angels lead the way and he is rejoicing in heaven.*
