“ To Al, I wish I could be there with you to celebrate the beautiful life of your mother and my friend. She was a kind, funny, warm hearted and loving person. I really got to know her many, many years ago as she would ride the church van home. Elder Latham was driving the van one night, it was late and I think she was the last person we were dropping off. All of a sudden she couldn't remember her address, I think she had just moved there. Even though it was late, we rode in the van joking and laughing as she was trying to remember and her joy and laughter was simply contagious.

I visited her a few weeks back before she made her transition and we reminisced and shared in laughter again about that night. She was a wonderful person and I am truly grateful that I was given the opportunity to know her.

God bless you and my prayers are with you and your family.

Praise The Lord to you all. You have my sincere sympathy in the lost of your loved one. She was such a loving and giving person. I would check on her from time to time and she would always thank me for my prayers and ALWAYS told me she was praying for me, even when she wasn't feeling the best herself. I spoke with her the day before she made her transition. She sounded BRAND NEW. I had no idea God was preparing her for her Heavenly Home. She will be missed by her AALJCI Family.

“ Brother & Sister Manadier were the very first Saints I met at the Assembly. I rode the Dan Ryan EL home from church with them the day I was baptized over 35 years ago. Sis Manadier was always kind & sweet to me. She expressed her love for her church family in many ways. She will be greatly missed. Our loss is heavens gain.
