“ I worked with Joy at Target. She was the kindest, sweetest person I've had the pleasure of knowing. She would check in to see how things were going, and always had a smile to literally light up a room. My heart breaks for you all, and she loved you all so much, and spoke so lovingly of her family. My prayers are with you all. Joy.....miss you. And I know you're watching over us like the angel you are.

“ *Condolences to the family of Joy Terrell Carter. We are at a loss for words during this sorrowful time. Please know that we are thinking of you and praying for peace and comfort. Vera and I met Drs. Henry & Velma, Joy and Janice in the 1970's while in graduate school at the University of Minnesota. Since that time, we have been the closest of friends forever. Our children and Joy grew up together. We never want to lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Our love ones leaves an indelible imprint in our memories.*

May tender memories soften your grief, may fond recollection bring you relief, and may you find comfort and peace in the thought of the memories that your loved one brought.

“ Joy and I danced at northland together when we were kids. Her name said everything you needed to know about her. She was the kindest person with the sweetest heart. She would always contact me every so often to check and see how i was. It always made my day. To hear of her passing broke my heart. Big hugs to Ms. Velma and her sister Janice. Joy will always hold a place in my heart. Rest in peace angel.

“ I first met Joy when I worked at Lincoln Elementary School; she and her sister Janice were students there. I worked for with her father Dr. Henry Terrell and met her mother Dr. Velma Terrell and we became friends. I remember going to Joys wedding, her sister did a Praise Dance. It was the most beautiful thing I had ever seen. (It was the first time I had seen Praise Dancing). Joy always had that big smile when I would see her
