“ I am my granny 1st grandbaby and I remember like it was yesterday all the things she told me, about the Bible and about how to not let no men make a fool of u. she was and still my everything. I will not let her memories go. I remember this still but Everytime the phone will ring at my Nana's house I would answer the phone and she would be going something and she would say take a message. By me little and was only 5 years old I would say can I leave a messenger back then I couldn't say message. But I luv that lil old lady she was my nana and I luv her for all the teaching and the butt whooping she gave me. Which makes the person I am to day. Now I'm not no saint I do get in trouble sometimes and go to jail here and there but nothing big in the trouble momma I luv u if u see my son tell I say to stay by ur side til I get up there
