“*Condolences to both Branch and Lewis families in this time of loss and grief. May God comfort you as only He can.*

*Thank you Sister Branch for your example of love and leadership. Thank you for being a wonderful mother in Christ to all and a beautiful spirit in mission. Your kindness and strength has touched many and left a legacy of good to be replicated. I thank God for our praise service time, lunch and quick, "I was just calling to check on you" calls. I am happy I had the chance to tell you, "I Love you".*

*Rejoice in peace,  
Sister Toni*
