“ I'm so sorry for your loss! Kendra was a friend of mine, I knew her for such a long time. We laughed together, worked together and shared many times throughout her life as a mother to her son. I know she will be lookin down and following him through his life , cause In reality, he meant the most to her! I will celebrate her life forever.

May you Rest In Peace my dear friend & god guide your son through this life, and protect him. May god comfort your mothers heart (Allison) I have lost my own child and would never wish that on anyone. I ask that god be near her mother and comfort her. Let she feel the presence of her daughter and best friend around her In this time when her heart is  
So heavy. My prayers go out to the Battle Family!
