“ Hey Kevin, its Greg. Looks like your going to be getting some company up there. Our old friend Chic Corea is on his way. Break out your drums and lay down some tune with this cat. Love ya man !

*My family met his family back in the '60s, I think. I really knew his sister Kim. We went to middle and high school together. I recently found out about Kevin's passing. Kevin and my older brother were friends, they hung out all the time. I knew Kevin more recently, like a couple of years. We would have long talks especially after his brother Brian passed. I know he was missing him. He was always joking around when we talked. I'm going to miss him. #restinpeacefulnessmyfriend*
