“ I loved this man! He was the best friend a person could ask for. Regardless to how many arguments we've had over the last 26 years he always had my back no matter what! Definitely miss our conversations and that damn laugh! Love ya Larry. Sending my love to the family!

“ The best Big brother anyone can ever ask for, touches the hearts of many that came in contact with him. He was the kinda person to talk you off the edge, and give you a helping hand, the food out his mouth the cloths off his back. He has given many people a reason to keep moving forward, and even the last of what he has and wouldn't complain, In this life and the next I will always love you Big Brother. You may be gone but never forgotten, may you Rest In Peace and watch over everyone as you did in life.— Love Johnny aka EmpireinDaMakin

“ *Larry was my brother. Not by blood but by love. He had a way of making me laugh when I was going through tough times. His laugh was one of a kind. His heart held enough love for all who would accept it. Larry I will never forget all the times we talked and played xbox together. You were definitely cut from a different cloth than most. I miss you my brother you will always have a place in my heart and family!*
