“ I'm so sorry to hear about LaTanya's passing. I had the pleasure of working with her at MCTC. I loved hearing about her family and the joy they brought her. She was also so dedicated to her students and providing them the best opportunities to be successful. She is sorely missed by all that knew her.

I just learned of Latanya's death today. I will miss her at MCTC! She and I had some good chats over the last many years about life and students. Latanya and I were in different departments, but I always enjoyed dropping into visit with her when I passed the Academic Success Center on campus.

I am so sorry for your family's loss of such a lovely person.

LaTanya, you fought a good fight lady. I will always remember our talks in my office. Even when you were weary, you tried to give Minneapolis College your best. Well dear one, God knew you needed your rest and he called you home. I think of you often, and I'm sadden by your passing, but I know you are in a better place and I pray your soul is at peace.

My sincere condolences family. May the memories of your loved one bring a smile to your face and joy to your heart.
