“ When we found out we had another sister in this world I traveled to met you personally. It brought us great joy to have had a chance to get to know how amazing you were. To met you and share information of our father for what we learned about him. You will truly be missed sister. Our hearts are heavy for everyone that you have touched in this world. You have gained your wings. Rest in Heaven until we met again. Love you

“ I wish I could call you and laugh about inappropriate things , cry tears of joy and pain. Every body go tell you it's gonna be ok. But it's nothing more reassuring then hearing it from a person who's been through it. I thank God for the 51 1/2 yrs you have been my Big Sister and Praying you have all the Peace and comfort you deserve. Rest in Heaven Sister.
