BS

“ Dear Cuzin... I love u sooo much. And it's funny bcuz how do u love a stranger? This is how I felt that day I came into town for Aunt Wilma's funeral. Tho we only 2 years apart, we weren't that close. I live in Iowa, U in Minnesota. But when we linked, it was on! U took me with u, the only girl, and I was part of the crew. We were about 3 cars deep with all the cuzins and I just remember how loved and protected I felt. It was amazing! We were shining in these streets-All love everywhere. And U (with the rest of our family) made me feel sooo special. I will never forget that, and I thank u for showing me that no matter where u at, or how long it's been, we FAMILY, and we all we got.

💙 LOVE ALWAYS, YOUR LIL CUZIN BOBBI. 💙

“ I remember calling him my baby boy. I was so happy for him when he was working with Nelly. I use to braid his hair and he use yo say, "Cus I'm flying you in to braid everybody's hair All the stars, but me first". Baby boy I loved you. Angle I'm praying for you. Be strong in the Lord and in the power of his might. Blue ghost will never. E forgotten.
