“ On the behalf of the entire Hendricks Family we would like to give you our sincerest sympathies on the passing of our first Brother in Love, Leon Sr. We won't forget the many pictures that he took of us capturing very memorable moments. Also he took me along with all my belongings to Champaign/Urbana Illinois in August 1967 to attend my first year at the University of Illinois. We still quote him even now when he told my husband, Leon, before we got married in 1972 "that all the Hendricks Girls are sleepy heads, can't watch a movie without going to sleep." 😭😭. So true!! So he might be physically absent, but as long as you live he lives on unseen, unheard, but forever near.

“ If your sister Brenda Smith, who proceeded you in death were alive, she'd want to have the opportunity to share her poem with our family that she wrote many moons ago, My Secret Place”
Rest in peace with her now and enjoy your reunion in glory, until we meet again, Uncle Leon 🙏 <https://photos.app.goo.gl/nBxuUxNvMHaWCPuSA>
