“ *My aunt lyn
My childhood memories are full of your beautiful spirit and I'm happy I had seen you this November. Honestly it wouldn't feel at home if i didn't get a chance to visit you. You are our family ride or die family most definitely. I will never forget your lovely smile and your hundreds of question that came right behind it. I love you so much and thank you for making a impact on my life. You will always be amazing.
We love you*
