“ I am going to miss my auntie! She was hilarious, spoke her mind back in the day and didn't play when it came to chastising. I learned so much from her. She was my other mother, friend, and mentor. The picture I posted of her and I, was when I was in Minnesota we were getting ready to go eat steaks. My auntie love steaks. Rest in Heavenly Peace. Love you Auntie...

“ Annie! I love you and will be missed. All of the phone calls just to see what I was doing. The late night calls to tell me you were in pain. We would pray together that God would ease the hurt. No more pain or suffering. Take your rest. Love you for life! Tell my mom I miss and love her.
