“ *We were saddened at the death of Dr. Johnson. Life brings tears, smiles and memories. The tears dry, the smiles fade, but the memories last forever. May you find strength and comfort in a God who is present even when we don't see Him.

“ *What a beautiful life Doc Johnson shared with his wonderful family. I remember all the happy days when the grandson's were students at De. Please know I'm thinking of you all. I'm still traveling with the boys basketball team and will be at Richfield High School this afternoon (Thursday) so will miss the visitation, but know you are all in my prayers

“ *My heart grieves as I send up prayers to the Eternal Father. Lord grant them the peace and comfort they desire during this time of transition. Dr. Johnson was always ready, willing, and able to support, my friend and his son, Robin and I as we tried to make sense of this thing called growing up. My eternal thanks and deepest condolences.*

*Grace & Peace,
Rev. James A. Johnson, Jr.*
