“ We are saddened by the passing of our dear Sis. Margie. She loved our family and especially our girls. She wanted to hold our baby girl everytime she saw us at church. She always asked us to pray with her and that she was praying with us. When we had our daughter, she brought her a beautiful card and clothes. She was so thoughtful and sweet. We were out of town when she had her services, but we pray that she knew, how much she was loved. GOD bless you all, her family and friends. Our lives are just that better just because she was in it. -The Pierce Family

“Aunt” Margie loved to hear me call her name and she loved to call me “Niece”! Her love was mighty & unconditional.

Grandma Majel was everything to Aunt Margie and I feel peace knowing they are together again.

“ Margie was always so happy to plan her birthday party each year. I would tell her that she’s getting old and she would say, not as old as you! We would laugh so hard!
