“ I will never forget the love that was shown to me by my aunt Mary Ella when I arrived in Minnesota .She treated me like one of her own children. My last visit with her was filled with joy. She looked so relaxed when Amy stated to brush her hair.. She was so glad to see her family. Her smiled got bigger when she saw the gifts that we brought her. She was such a giving person. We know the nursing home residents will miss her handing out cigarettes. May God bring you peace (Mildrene, Tammy, and Lillian). Daphne

“ I remember when Renee was a kid she had this doll named Little Miss Eckel. My Auntie was cussing all of us kids out and my brother turned the doll on and recorded everything she said. When she got through cussing us out he rewinded it played it back. Then she was running around the house asking who was acting and talking like her and we was laughing. Good memories and lot's of love and laughter. We will miss you and carry you with us in our hearts always. -Reena

“ *The last time I saw auntie Mary was at auntie BJ's birthday party in 2019. It was such a blessing to be able to sit and talk to her. She was so happy to be there with her family. Her smile brought us joy and warmed all of our hearts that day. May God provide you with comfort and strength. With Love, Khyisha.*

“ *Mildrene, I did not spend a lot of time with your mom. However, the time I did share with her was always pleasant. She would always greet me with a big smile. I know distance and time has separated us, but I love all of you and will pray for you.*

“ *I was introduced to my Moutry side of the family, at a later than normal period in life. Not knowing the history of my mother and father's relationship, I was rather confused as to why I received a rather mixed reception from some of my newly discovered family. My Aunt Mary, along with two of my other dear aunts and all of my cousins, received me with open arms. My Aunt Mary was like a rebel who went against the norm and told it the way she saw it. We had some extensive one on one conversations and I realized it wasn't just me she treated that way, that was just Mary. If you could describe what would be a fault of Mary, it would be that Mary loved, trusted and tried to see the good in everybody. So this exposed the loving, generous spirit that caused a heavy toll to be paid in her life . Rest in Heaven Dear Aunt Mary.*

“ Drene (cousin) my thoughts and prayers goes out to you and your siblings. My memory of Mary Ella is her sweet smile. Im sure she is walking around heaven with the greatest of smiles, enjoying her Moutry family reunion, her parents, child, siblings and a host of nieces and nephews. May God prop up those she left behind with strength and comfort as you navigate thru the journey of grief.

“ Mildrene, your mom and I shared good times during our earlier years. Mary always made me laugh. She could be funny and at other times extremely serious. Our portrait together reflect the good times at the Moutry's 50th Wedding Anniversary. Mildrene, I am praying for you and your family.

Love,  
Your Aunt, Margaree Moutry
